**PETITION TO REVIVE APPLICATION ABANDONED FOR FAILURE TO NOTIFY
OFFICE OF FOREIGN FILING**
(37 C.F.R. § 1.137(f))

1. This application was filed initially by another law firm with a request for nonpublication because there was no intention at that time to file an application for the subject matter of this invention in a foreign country or under a multinational treaty which requires publication of the application eighteen months after the filing.

2. On February 7, 2003 an application for the subject matter of this invention was filed under the Patent Cooperation Treaty. Since the United States application was filed by another law firm, attorneys for petitioner did not realize a nonpublication request had been made. A Rescission of Previous Nonpublication Request and this Petition to Revive were filed immediately upon discovery that the Nonpublication Request had been made.

3. No notification of this foreign filing within the 45 day period required by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 C.F.R. § 1.213(c) has been made.

4. A Rescission of Previous Nonpublication Request (a copy of which is enclosed herewith) is being filed on the same day as this Petition to Revive and has been mailed separately via First Class Mail to the Commissioner for Patents at Mail Stop PG Pub.

5. Applicant hereby petitions, in accordance with 37 C.F.R. § 1.137(f) for the revival of this application.
